

MORIC SERVICES STANDARDS AND CONTRACTS LIST

UPDATED: MARCH 2022

WHO WE ARE

Mohawk Regional Information Center (MORIC) staff works proactively with participating districts and BOCES to provide cost-effective, educational technology, professional development for teachers and administrators, and daily technical support and assistance. MORIC also works with State Education Department officials and other RICs across the state to exchange ideas and best practices, share knowledge and information, and participate in discussions about policy and practice.

WHO WE SERVE

The MORIC serves 50 school districts and four BOCES

Madison-Oneida BOCES

Herkimer-Fulton-Hamilton-Otsego BOCES

Jefferson-Lewis-Hamilton-Herkimer-Oneida BOCES

Oneida-Herkimer-Madison BOCES

NEW YORK STATE RICs

The 12 Regional Information Centers (RICs) in New York State are cooperative agencies that provide state-of-the-art educational technology, training, and support for teachers, students, and administrators in participating school districts. They were established by the New York State Education Department and are each administratively aligned with and housed at a Board of Cooperative Educational Services (BOCES) campus within its service region. Each RIC is governed by a committee of school superintendents and a Joint Management Team representing the BOCES agencies within its region.

INNOVATE. EDUCATE. LEAD.

INSTRUCTIONAL AND DATA SERVICES AND CONTRACTS

INSTRUCTIONAL AND DATA SERVICES

An agreement that covers the requirements defined by Ed Law 2-D must exist either directly between the school district and the product vendor, or, if the product is part of a service obtained through a BOCES CoSer, an agreement between that BOCES and the product vendor. Even though a compliant agreement may exist between a BOCES and a vendor, **if a district does not obtain that vendor's product as part of a service delivered through a BOCES CoSer governed by that agreement, the BOCES-negotiated terms do not apply to that district.** All vendors are working towards an agreement to begin July 1, 2020.

ABOUT THE MORIC

The 12 Regional Information Centers (RICs) in New York State are cooperative agencies that provide state-of-the-art educational technology, training and support for teachers, students, and administrators in participating school districts. They were established by the New York State Education Department and are each administratively aligned with and housed at a BOCES campus within its service region. Each RIC is governed by a committee of school superintendents and a Joint Management Team representing the BOCES agencies within its region.

The Mohawk Regional Information Center (MORIC) serves 50 school districts and four BOCES: Madison-Oneida, Oneida-Herkimer-Madison, Herkimer-Fulton-Hamilton-Otsego, and Jefferson-Lewis-Hamilton-Herkimer-Oneida.

MORIC offers a wide array of services including: cutting-edge technologies and applications that support state and local standards; staff development for the integration of instructional technology; technology support for administrative applications and processing; and network design and implementation.

MISSION

Support districts through technology leadership, innovation, and excellence.
