

June 2025

Dear Parents:

Thank you very much to the Holland Patent Central School District Learning Community for your support for the 2025-26 budget! I would also like to congratulate Colt Brumm on his election to the Board Of Education. The continued support and encouragement the community provides to the students and staff of the Holland Patent Central School District is greatly appreciated.

I would like to again invite our elementary students to join our Summer Reading Club. Each principal will be sending out a packet, which includes a book list and reading contract. Please return the completed contract in September so the District may recognize your child's efforts.

Have a safe and happy summer!

Sincerely,  
*Dr. Cheryl J. Venettozzi*  
Superintendent of Schools

#### **A MESSAGE FROM THE FOOD SERVICE DIRECTOR**

I would like to thank everyone that utilizes the school lunch program. If you see any of the cafeteria staff over the summer, please take the time to thank them. Nothing we do here would be possible without all their hard work.

I would also like to take this time to remind anyone with an outstanding lunch account balance to please get that settled up so that it does not interfere with end of year activities.

If you are in need of summer meals, local school districts participate in the Summer Food Service Program (SFSP) and are open to ALL children 18 year old and younger. You do not need to be an enrolled student. Under this program, nutritious meals are provided to all children 18 years and under free of charge. Please visit [www.romecsd.org](http://www.romecsd.org) for a list of sites, dates and times. I will also post a link on the Holland Patent website under food service when more details become available. Contact Chris Whitmore, [cwhitmore@romecsd.org](mailto:cwhitmore@romecsd.org) for more details.

Thanks again and have a great summer!

Cliff Casab  
Food Service Director
