Get Ready for the Section III Post-Season with HomeTown Ticketing

Our Digital Ticketing partner makes it easy for fans to get tickets

As the fall regular season of Section III Athletics nears its end, I'd like to share more about our post-season and how our digital ticketing partner, HomeTown Ticketing, will be helping us to sell digital tickets our Semifinals, Finals and Regional events.

Section III and HomeTown Ticketing makes it easy for fans to purchase tickets ahead of game time on either the [Section III website](#) or in the [HomeTown Fan App](#). We will be using this ticketing platform for all our post-season events this year, and we will **not** be accepting cash at the gate for any post-season event tickets.

Fans that purchase tickets on the Section III website will receive their tickets via email. These can either be displayed at the gate on a digital device or printed and brought as paper tickets. Tickets purchased in the HomeTown Fan App are stored directly in the app and can be accessed there for scanning at the gate. All tickets must be scanned at the gate for entry to an event.

We can't wait to see all the athletes compete during the post-season and wish all the Section III teams the best of luck as we head toward exciting championship competitions.

Please remember that "No Cash" sales will be available at the gate. For more information on digital ticketing, contact the Section III office or go to the Section III website to purchase your tickets: www.section3.org

See you in the stands!
