

**Ms. Schreppel**

**6<sup>th</sup> Grade Science**

### **6<sup>TH</sup> GRADE SCIENCE TOPICS:**

Basic Science Skills and Methods  
Earth's Solar System  
Meteorology  
Plate Tectonics  
Earthquakes and Volcanoes  
Rock, Minerals and Fossils

### **Grading Policy:**

#### PROGRESS REPORTS

Progress reports are done half way through each marking period. These are not permanent grades. They are simply a snapshot of the student's performance at the time the report is created.

#### THE MARKING PERIOD GRADE

The final marking period grade is composed of the following categories:

- 15%** 10 Week Exam
- 30%** Tests, Major assignments, Projects, Presentations, and Required writing pieces (corrections can be made to raise test grades)
- 25%** Effort (preparedness, responsibility, conduct, listening and following directions, etc.)
- 30%** Class Work/Homework

Extra help is always available during study halls and after school by appointment.

**CONTACT INFORMATION AND AGENDA USE:**

The quickest way for parents or guardians to contact me is through my email: [eschreppel@hpschools.org](mailto:eschreppel@hpschools.org). If email is not an option, please call the school at 865-8152 and I will return your call as soon as possible.

Students need to bring their agenda to class everyday and use it to write the day's work from the Agenda/Bell Work board. Students then need to take their agenda home each day.

**SEE STUDENT INFORMATION PACKET FOR OTHER INFORMATION**
