30	<b>Notes:</b>					

Spring is here, the weather is nice, and kids and families have a great deal to do after school. During arrival, dismissal, and after practices and games, the parking lots have a great number of people walking through them to their cars. Lately, we have noticed some dangerous driving in our parking lots and on school grounds.

To keep children and families safe, we need your help:

- Please obey all traffic signs and laws
- Remain focused on the road
- Attend to other traffic and pedestrians while driving
- Remain in the proper lane while driving through the parking lot
- Use the proper entry/exit
- Drive slowly

**Please remember to drive carefully on school grounds.**

# Snapshots of Our Month

Students in Mr. Judware's class doing some water testing for "Trout in the Classroom" project.

Kim Rogers, from Woodforest Bank visited the third grade to talk about financial fitness. She discussed money, earning it, saving it, and need vs. want.

Students conducting research during their gifted and talented class time with Mrs. E. Bates.

Mrs. Bauer's students working together on a Civil Rights Reader's Theatre.
