Month of June

Please help remind your child that even though it is June and we have some fun activities and field trips planned, that there is still a lot of learning that needs to happen. They should still come to school prepared to be safe, respectful and responsible.

IMPORTANT REMINDER

The front parking lot at HPE is one way. For the safety of our students, if the buses are in the lot picking up students, cars may not pass the bus. Please wait for the buses to move and DO NOT exit in the wrong direction.

Bus Changes

If your child will have changes in the bus routine for the next school year, please contact the bus garage prior to school beginning in September. This will give us a smooth and safe dismissal for the beginning of the school year.

25	26	27	28	29	30	Notes:

Spring is here, the weather is nice, and kids and families have a great deal to do after school. During arrival, dismissal, and after practices and games, the parking lots have a great number of people walking through them to their cars. Lately, we have noticed some dangerous driving in our parking lots and on school grounds.

To keep children and families safe, we need your help:

- Please obey all traffic signs and laws
- Remain focused on the road
- Attend to other traffic and pedestrians while driving
- Remain in the proper lane while driving through the parking lot
- Use the proper entry/exit
- Drive slowly

Please remember to drive carefully on school grounds.

Snapshots of Our Month

3rd Grade Butterfly Release
-Mrs. Stockhauser's Class

Wendy Fical from the National Center for Missing and Exploited Children visited to teach students about cyber safety.

Mrs. Isenberg and Mrs. Healey shared with our students what The Ride for Missing Children is all about. They also shared personal safety with the students.

Mrs. Koziarz class held a "Book Tasting" to prepare a list of books they may want to read throughout the summer.
