28	29 MEMORIAL DAY	30 Day 3	31 Day 4	Notes:		

Spring is here, the weather is nice, and kids and families have a great deal to do after school. During arrival, dismissal, and after practices and games, the parking lots have a great number of people walking through them to their cars. Lately, we have noticed some dangerous driving in our parking lots and on school grounds.

To keep children and families safe, we need your help:

- Please obey all traffic signs and laws
- Remain focused on the road
- Attend to other traffic and pedestrians while driving
- Remain in the proper lane while driving through the parking lot
- Use the proper entry/exit
- Drive slowly

Please remember to drive carefully on school grounds.
