Normal Peer Conflict vs. Bullying

Normal Peer Conflict

- Equal power or friends
- Happens occasionally
- Accidental
- Not serious
- Equal emotional reaction
- Not seeking power or attention
- Not trying to get something
- Remorse – will take responsibility
- Effort to solve the problem

Bullying

- Imbalance of power; not friends
- Repeated negative actions
- Purposeful
- Serious with threat of physical or emotional harm
- Strong emotional reaction from victim and little or no emotional reaction from bully
- Seeking power, control, or material things
- No remorse → blames victim
- No effort to solve problems

What Students Can Do...

If they think they're being bullied:

- *Act Brave, Walk Away, Ignore the Bully*
- *Tell a trusted adult (parent/guardian, teacher, etc.)*

Ways students can prevent bullying:

- *Treat everyone with respect*
- *Stand up for others*
- *Include everyone*
- *Sit with something if they're alone*

Ways students can create a positive school climate:

- *Be respectful and friendly to everyone*
- *Be an upstander, not a bystander*
- *Let an adult know if they see, hear or experience bullying*
