

Holland Patent Volleyball Summer Camp Reimbursement

In order to build the Volleyball program, the Holland Patent players decided that they would use the funds raised through fundraisers to supplement off season camps/clinics fees. Students that participate in the Holland Patent Volleyball program are eligible to receive reimbursement of 25% of the cost of the camp/clinic. The following outlines the process to receive the reimbursement.

- 1) Player will pay for the entire fee upfront and attend the camp/clinic.
- 2) After the completion of the camp/clinic, player needs to complete the form and show proof of payment and submit them to Coach Aiello within two weeks of the completion of camp. If the camp occurs during the summer, the form needs to be submitted within the first two weeks of the new school year.
- 3) Reimbursement will be made as quickly as possible, but the processing of the check may be several weeks.
