# Icons as Visual Scaffolds When Working Through

## Seesaw

By: @PanaAsavavatana
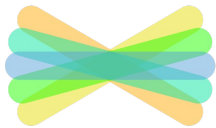

- I want to **ADD** something new.

- I have something to **SHARE**.
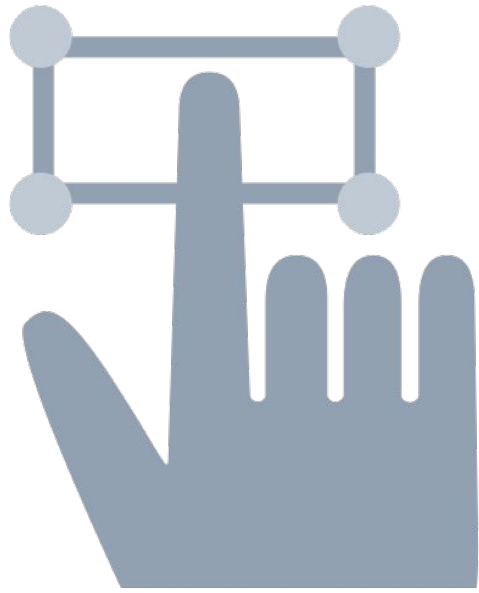

Seesaw

I am READY to show and capture my work.
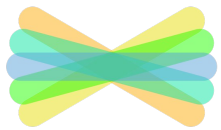

I need to TURN my photo so it is the right way.
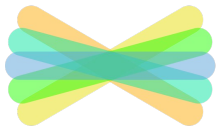

I need to MOVE an object on my page.
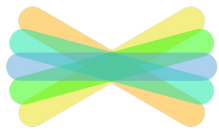

Seesaw

I have PLANNED what I want to say 👄 and show 👆📱

Seesaw

I need to **STOP** and plan my next step.

T

- I want to use the to TYPE my words.
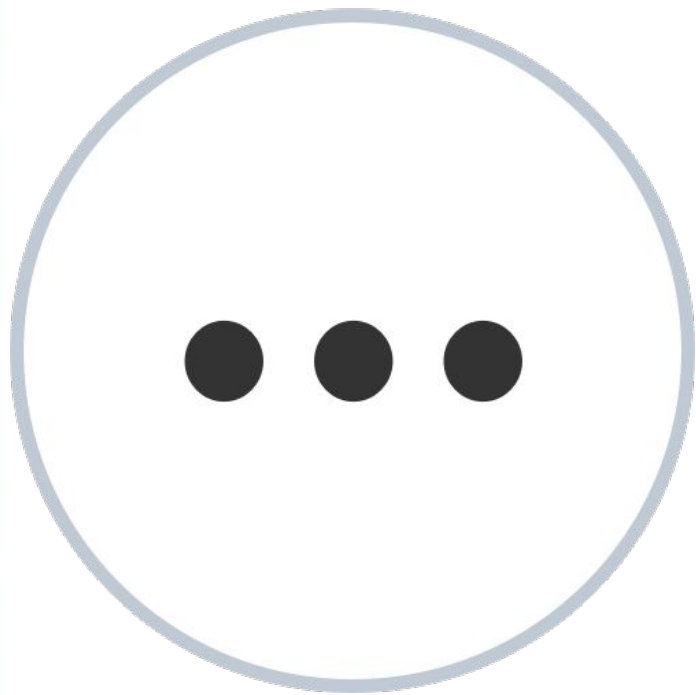

- I can s-t-r-e-t-ch out words I don't know.

- I have CHECKED my work.
- I am ready to PUBLISH my work.

Seesaw

I am looking for MORE options.
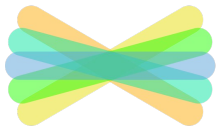

Seesaw

I need to
DRAW or
ANNOTATE
something on
my page.
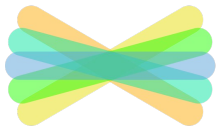

I need to
**HIGHLIGHT**
something on
my page.

I need to
POINT to
something as
I record.

Seesaw

UPLOAD: I already have something on my device I want to use.

Seesaw

I need to CHANGE the COLOR of my pen or text.

I want to DESCRIBE or SUMMARIZE my work in a caption.

Seesaw

I need to **UNDO** the last thing I did.

I pressed undo too many times. I need to **REDO** something.
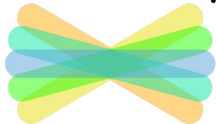

I need to
RE-RECORD
my voice.
