Earning A Living Unit 8

Unit Project

Step 1

Interview a person in your community about their chosen profession. You must ask them ten questions about their job. Each of the ten questions must be "wh" questions. (When you ask the person you are interviewing questions you will be doing so in English.) The person you interview must be over 18 and have graduated from high school.

Step 2

Create a poster like the one Mrs. Murray gave you as an example.

Your poster must include; all of the information from your interview in English and ASL word order and a picture of the person.

Step 3

Present your findings to the class.

Presentations will be in ASL.

I will give you time in class the ___/___/___ & ___/___/___ before presentations to ask questions.
