

FREE Summer Music Lessons!

The Holland Patent Music Department is excited to offer one-on-one summer music lessons at no cost to students! Lessons will be offered for band, chorus, and orchestra students currently in grades 3-11 and enrolled in the music program. Students will receive one 30 minute lesson per week for six consecutive weeks. Specific lesson times will be assigned after the registration deadline. Students who register are making a firm commitment to attend six 30 minute lessons. Students registered for summer music lessons will need to provide their own transportation.

Are you joining band or orchestra next year? Have you wanted to play an instrument but never signed up to play? Now is your chance to try! Summer music lessons are also offered for incoming band and orchestra students to learn the basic skills needed to get a head start for next year. Students will receive one 30 minute lesson per week for six consecutive weeks. Students who register are making a firm commitment to attend a lesson once per week for six weeks. Specific lesson times will be assigned after the registration deadline. Please note that students who register for this program need to provide their own transportation.
