CODE/ BUDGET CATEGORY	EXPLANATION OF EXPENDITURES IN THIS CATEGORY (as it relates to the program narrative for this title)
Code 15 <i>Professional Salaries</i>	Professional Salaries will be utilized to support both Elementary and Middle School students, grades K-8, identified as performing below grade level will have the opportunity to participate in a high dosage tutoring program utilizing Sonday Phonics, Units of Study Reading and Writing, Freckle ELA, Freckle Math and EnVisions Math 2015. These frameworks will be utilized to target individual reading, writing and math deficits exhibited by these children. In addition, high school teachers will support High School students enrolled in Algebra, Living Environment, Earth Science, Global History, US History and ELA 11 as identified as exhibiting learning loss, will have the opportunity to participate in high dosage tutoring program. The focus will be on course-specific content and skills, based on individual student deficits, which are needed to pass Regent's Examinations as well as individual courses. The Holland Patent Central School District summer programming will provide instruction by teachers to include core academic and enrichment programs for all students in all grades. The academic programs will focus primarily on reinforcing skills as well as accelerating learning in Reading, Writing, Math, Social Studies and Science. Teachers will be used at the secondary level, where the focus will be on credit recovery, ensuring students graduate on time, as well as meeting course requirements and passing Regent's Examinations. The enrichment activities will be offered to all students districtwide and will include STEM Camps, Intramural Sports Programs, and Music and Art Camps. ELA Teachers and Instructional Coaches will work during the summer with Wahl Educational Consulting Inc. in Grades K-8 prioritizing curriculum and vocabulary to address learning loss as well as align to the Next Generation Learning Standards. Teachers will also align and prioritize curriculum in the area of Math Grades K-5 utilizing EnVisions Math 2020 and to the Next Generation State Learning Standards. Advisors will also be paid to support the creation of Future Business Leaders of America Club and the Future Farmers of America Club. The addition of a music teacher that was previously reduced will be restored in order to best meet the student needs in music instruction as well as expand the number of students that have joined performing arts groups.
