**Clifford Casab**  
Cafeteria Director  
(315) 865-7242

February 3, 2021

Dear Golden Knights,

The New York State Department of Health has released new guidelines allowing travelers to New York to "test out" of the mandatory 10-day quarantine for asymptomatic individuals. Travelers from states that are contiguous with New York and essential workers are exempt from the travel advisory; however all covered travelers must continue to fill out the Traveler Health Form. The guidance also applies to any person who has traveled to CDC Levels 2 and higher Health Notice country under the COVID risk assessment.

### For travelers who were out-of-state for more than 24 hours:

- o Travelers must obtain a test within three days of departure, prior to arrival in New York.
- o The traveler must, upon arrival in New York, quarantine for three days.
- o On day 4 of their quarantine, the traveler must obtain another COVID test. If both tests come back negative, the traveler may exit quarantine early upon receipt of the second negative diagnostic test.

### For travelers who were out-of-state for less than 24 hours:

- o The traveler does not need a test prior to their departure from the other state, and does not need to quarantine upon arrival in New York State.
- o However, the traveler must fill out our traveler form upon entry into New York State, and take a COVID diagnostic test 4 days after their arrival in New York.

All travelers must continue to fill out our traveler form upon arrival into New York State. The travel guidelines require all New Yorkers, as well as those visiting from out-of-state, to take personal responsibility for compliance in the best interest of public health and safety.

For general inquiries contact the Hotline: 1-888-364-3065 or Individuals may also contact their local health department.

If you are planning on out of state travel during the February break, please complete the Google Form located on our website at [www.hpschools.org](http://www.hpschools.org) and the link will also be posted on our Holland Patent CSD Facebook page.

Stay safe and be healthy,

Jason P. Evangelist  
Superintendent of Schools
