December 29, 2020

Dear Golden Knights,

I hope everyone is having a safe, healthy and enjoyable break while spending time with your loved ones. During the winter break and remote learning period, we will be reviewing data to help us plan our return to the hybrid model of instruction on January 19. Therefore, we are asking:

- those whose children have had exposure and/or tested positive to complete the self-reporting form on the District website
- complete the daily health screening form on the website twice a week while we are remote

In an effort to provide additional support for our students, our Pupil Personnel Services Counseling Team has created a weekly student survey to let us know how they are and if they are in need of support. Our middle school and high school students will receive the survey via email and our elementary students will have the survey posted in Google Classroom and See Saw. The information will be shared directly with your child's counseling staff.

Just a reminder, if you are willing to have your child participate in the free COVID-19 testing, please complete the Google form located on the District website so we can determine if we are able to meet the 20% testing threshold if designated a school in a yellow zone. For additional information, please see the attached video.

Thank you for your cooperation during this time in helping the District meet the students' and community's needs. It is greatly appreciated. Have a happy and safe New Year!

Sincerely,

Jason P. Evangelist  
Superintendent of Schools
