Dear Golden Knights,

We are looking forward to returning to our hybrid model of instruction on Monday, January 25th. As we return to school, we will follow safety protocols and procedures to keep everyone safe and continue with the implementation of our hybrid model. Facial coverings are required to be worn at all times by staff and students and breaks will be allowed during lunch. We will also continue with social distancing, as well as practicing and promoting proper hygiene. Following these protocols will help our schools to remain open and we will adjust as appropriate.

We appreciate the understanding and collaboration from our entire Holland Patent Learning Community. We are hopeful that the trends continue in a positive direction as we continue with our goal of meeting the needs of our students and community.

Stay safe and be healthy,

Jason P. Evangelist
Superintendent of Schools
